Support MTG

For 150 years MTG Hawke's Bay has been at the cultural heart of Hawke's Bay. The institution has prospered thanks to the generosity and enthusiasm of the many benefactors who have built and cared for collections, supported research and public programmes and endowed new buildings and facilities. Financial support enables MTG to build on this legacy for future generations and there are many ways you can help, from sponsoring a new exhibition to donating to the collection.

Talk to a member of the MTG team to find out about MTG supporter opportunities, go to www.mtghawkesbay.com, or mark the box below and a MTG staff member will be in touch.

Become an MTG Volunteer

The skills, knowledge and energy of our volunteers are vital to all the work we do at MTG Hawke's Bay. Volunteering at MTG is a unique opportunity to work with like-minded people interested in the art, history and culture of New Zealand. MTG has volunteer opportunities across the institution and is particularly keen to recruit MTG hosts to help us share our stories with visitors.
