Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Social Studies, History, Geography, Art History, Arts

Napier Cemetery Walk and Talk

Take a journey of discovery through Hawke's Bay's past with a guided walk through this historic cemetery. You will hear gripping stories of the eventful lives and deaths of local people, touching on missionary work, the New Zealand wars, maritime disasters, the coming of the railways, 19th century burial practices and headstone symbols. This programme is ideal for all schools exploring local history. We also recommend it for schools visiting Napier on school camp.

Dates: Ongoing (weather dependant)
Duration: Up 1½ hours
Venue: Napier Cemetery
Learning Areas: Social Sciences, History, Art

Napier Port: Interdependence of Sectors

Using Napier Port as a case study for Economics AS 90988, we explore the role of our port as a firm with interdependence on other sectors. This programme has a session on the history of Napier's port in the MTG classroom and an optional visit to Bluff Hill lookout to see the modern port in action. An assessment task will be provided to support the trip and standard.

Dates: Ongoing
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Social Sciences, Economics

Seawall Murals Walk and Talk

The guided walk takes you around a sample of inner city seawall murals discussing artists' intentions, techniques, considerations, and the project. It supports the art curriculum for secondary schools but can also be a stimulus for creative writing, for conservation studies, and social science 'protest' studies.

Years: 7 - 13
Dates: Ongoing (weather dependant)
Duration: Approx 1½ hours
Venue: Starts at MTG Hawke's Bay
Learning Areas: Art, Mural Design

The Architectural Legacy of J.A. Louis Hay - The Man and His Work

Learn about James Augustus Louis Hay, an architect who left his mark on the post-1931 earthquake ravaged Napier, leaving a legacy of beautiful buildings. Who was this man? What is his style and who were his influences? Which of his grand designs made it into reality?
The exhibition visit is followed by a tour of some of Louis Hay's buildings close by MTG Hawke's Bay.

Years: 9 - 13
Dates: Until August 4
Duration: 1½ hours
Venue: MTG Education Suite
Learning Areas: Art, Art History, Design

Toi / Art at MTG

Please come to any of our current exhibitions and take your own tour, or ask us to design a programme for you. Check our website regularly or visit yourself to see what's on that will complement your teaching focus. We can bring specific paintings out of collection storage if necessary - just ring to ask if your artist is represented in the Museum Trust collection. We hold significant collections of New Zealand art, applied art, fashion and design and taonga Māori.

Bookings for groups are essential.

Possible topics:
Māori Patterns and Motif
New Zealand artists
Colour theory
Please contact us to discuss further.

Project Banaba

Learn about the history and struggles of the people of this island, which was so heavily mined for phosphate as fertilizer for agriculture in other countries (including New Zealand), that its people had to move elsewhere in 1945.

This multi-media exhibition shows how art can be medium to deliver a message on the use of the world's resources and sustainability.

Years: 9 - 13
Dates: Until September 1 2019
Duration: 1 - 1½ hours
Venue: MTG Education Suite
Learning Areas: Social Sciences/Art/Sustainability

Te Tiriti o Waitangi - the living Treaty

A focus on the Treaty of Waitangi as a living document fundamental to the understanding of New Zealand's history. The Octagon display cases will provide insights into aspects of the Treaty which will provide background and a basis for discussion for students.

Years: 9 - 13
Dates: Until mid 2019
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Social Sciences, History

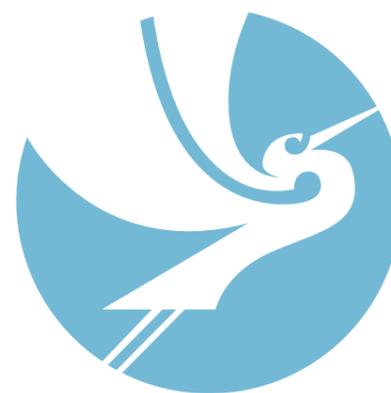

Landscape Painting

MTG is showcasing the landscape paintings of Five Pakeha Painters; Dick Frizzell, Martin Poppelwell, Rita Angus, Geoffrey Fuller and Jenny Campbell. Their view of Hawke's Bay is both traditional and quirky and shows the landscape from their own unique points of view. After a discussion and theory session students will visit the exhibition and sketch some landscapes to lay the foundation for a painting.

Alternatively take a self-guided tour for free. Bookings essential.

Years: 9 - 13
Dates: Until 1 December 2019
Duration: 1 - 1½ hours
Venue: MTG Education Suite
Learning Areas: Social Sciences/Art
