(on the corner of Marine Parade and Tennyson Street)
Open to the public Mon-Sun 9.30am to 5pm
Free entry to exhibitions

Our Enriching Local Curriculum (ELC) service is supported by The Ministry of Education.

The Battle of Ōmarunui.

This programme looks at the arrival of Pākeha into Te Matau a Māui and considers the implications of Te Tiriti across Aotearoa. We look at the relationship between local rangitira and settler militia during the Hauhau conflicts in Pētane and Ōmarunui. Students will visit the Kuru Taonga gallery to learn the stories of some of the key rangitira at the time, and return to the classroom to design and create peace flags.

Years: 7 – 13
Dates: Ongoing
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Aotearoa NZ Histories

Toi / Art at MTG

Visit any of our current exhibitions and take your own tour, or ask us to design a programme for you. Check our website regularly to see what's on that will complement your teaching focus. We can bring specific paintings out of storage if necessary – contact us to find out if your preferred artist is represented in the museum's collection. We hold significant collections of New Zealand art, applied art, fashion, design and taonga Māori.

Years: 9 – 13
Dates: Ongoing
Possible topics: Māori Art: Elements of design, artists of Aotearoa, colour theory. Please contact us to discuss further so we can create a programme to suit your requirements.

Napier Cemetery Walk and Talk

Take a journey of discovery through Hawke's Bay's past with a guided walk through this historic cemetery. You will hear gripping stories of the eventful lives and deaths of local people, touching on missionary work, the New Zealand wars, maritime disasters, the coming of the railways, 19th century burial practices and headstone symbols. This programme is ideal for all schools exploring local history.

Years: 9 – 13
Dates: Term 1 and 4
Duration: Up to 1½ hours
Venue: Napier Cemetery
Learning Areas: Social Sciences, Local History

Waka huia

From one large treasure box to many small ones, ākongā get a close-up look at traditional waka huia, hue and treasure boxes from the MTG collection. They will learn about the cultural significance and design elements of waka huia and visit the exhibition Kuru Taonga to view local contemporary Māori artists work. This will be used to develop visual diaries and their own art-making.

Year: 11
Dates: Ongoing
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Visual Arts

Hangarau me te Māori: Māori and Technology

Felling a tree to carve a waka. Navigating the seas using the stars. Māori have always been able to apply their skills and knowledge to develop tools in a new environment. How have these tools adapted over time? Why? In this workshop, students will discover a range of early Māori tools before having a go at using a range of old and new technologies. This session will finish with a visit to our Māori gallery - Kuru Taonga.

Years: 7-10
Dates: Ongoing
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Social Sciences, Technologies

Our Culture through Sculpture

FREE - Self Guided

This self-guided tour offers you an insight into a variety of iconic artworks that make Ahuriri (Napier) unique, from the well-known Pania of the Reef statue to a Lauris Edmond poem etched into the back of a building. Starting at the museum, collect maps and booklets containing historic images from MTG's archives to guide your groups on their way. This self-guided experience is free, but bookings are essential.

Years: 7 – 13
Dates: Ongoing
Duration: 1½ hours
Venue: Start at MTG Hawke's Bay, then CBD
Learning Areas: Arts, Local History and Social Sciences

Fane Flaws

Who was Fane Flaws? View the work and career of local Hawke's Bay resident Fane Flaws through music, design, book design and illustration, music videos and commercials. Students will explore and investigate our new exhibition to discover the music and art works of Fane Flaws, before returning to the classroom to create their own artwork inspired by the artist.

Years: 7 – 10
Dates: 11 March to 10 September 2023
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Music – Sound Arts, Visual Arts

Quake '31

Use our 1931 Earthquake exhibition and presentation to do research for NCEA Geography/History/Art History/Design and inspire creativity in the Arts. Depending on your focus and the time available, we offer a choice of activities after the main programme and exhibition visit. This concludes with a short walk around MTG Hawke's Bay to see sites discussed in the programme, or exploration of Art Deco design.

Years: 9 – 13
Dates: Ongoing
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Social Studies, History, Geography, Art History, Art

Marineland: Animals as Entertainment?

Marineland opened in 1965 and evolved into a major Aotearoa tourist icon. Over four decades the zoo (either live capture or sanctuary) housed, several species of marine wildlife including 90 dolphins. Students will reflect on and analyse the different perspectives and values of the trainers, tourists, animals, protesters, as well as the economic benefits to the city. Using these different viewpoints, green screen technology and iconic imagery - they will step back in time and record an argument for or against the closure of Marineland.

Years: 7 – 10
Dates: To March 2024
Duration: 1½ hours
Venue: MTG Hawke's Bay
Learning Areas: Social Sciences

Seawall Murals Walk and Talk

The guided walk takes you around a sample of inner city seawall murals discussing artists' intentions, techniques, considerations, and the project. It supports the Art Curriculum for secondary schools but can also be a stimulus for creative writing, conservation studies and Social Science 'protest' studies.

Years: 9 – 13
Dates: Term 1 and 4
Duration: 1½ hours
Venue: Starts at MTG Hawke's Bay
Learning Areas: Art, Design, Social Sciences

Mataruahou Hikoi

Mataruahou is the original name for Scinde Island, or the Napier Hill. On this hikoi, students will explore the local history of Te Matau a Māui (Hawke's Bay) while taking a walk up to the Bluff Hill Lookout. Taking in the views, the guide book will assist with locating significant pā sites, landmarks and other geographical features, discovering the stories and events that took place in these areas.

Years: 7 – 13
Dates: Term 1 and 4
Duration: 2 hours
Venue: Begin at MTG Hawke's Bay, walking up to Bluff Hill Lookout
Learning Areas: Social Sciences, Local History

Historic Heretaunga Hikoi

FREE - Self Guided

Head off on a hikoi around Heretaunga (Hastings) and discover what was there before. When were these buildings built? What was the 'Battle of Hastings'? And what are the names of those sheep?! Starting at Civic Square, students work in groups to follow maps and booklets containing historic images from MTG's archives. Students work in adult-led groups to explore the interesting monuments, memorials and structures around the Hastings CBD.

Years: 7 – 10
Dates: Ongoing
Duration: Spend 1-2 hours
Venue: Start at Civic Square, Hastings
Learning Areas: Social Sciences, Local History

Out and About on Marine Parade

FREE - Self Guided

Explore extraordinary changes to Marine Parade over the last 150 years. Who were the Clive flood heroes? How did a 200-year-old cannon end up here? Starting at the museum, collect maps and booklets containing historic images from MTG's archives to guide your groups on their way. Students are given high vis vests and in adult-led groups explore all the interesting monuments, memorials and structures along Marine Parade.

Years: 7 – 10
Dates: Ongoing (weather dependant)
Duration: 1 – 2 hours
Venue: Starts at MTG Hawke's Bay
Learning Areas: Social Studies, History, Geography
