# School Education Services – Whāngai te ākongā Term 1 2019

### Māui and Te Ao Māori

When Māui, the legendary demi-god and mischief-maker fished up the North Island from under the sea, his enchanted hook became our coastline – from Cape Kidnappers to Mahia Peninsula. Drawing on the Māui stories and taonga of Ngāti Kahungunu, we seek to understand the beliefs and everyday lives of Māori before the arrival of Europeans.

Years: 1 - 8  
Dates: Ongoing  
Duration: 1½ hours  
Venue: MTG Hawke's Bay  
Learning Areas: Social Sciences

### The House of Webb – Victorian settlers

Meet the Webb family, who journeyed from England in 1884 to Ormondville, Hawke's Bay. Hear stories of their life in England, leaving home, life on board ship, arrival in Napier and the settling in. Dress up and role-play everyday chores without electricity. Visit the exhibition about the Webb family.

Years: 1-6  
Dates: Ongoing  
Duration: 1½ hours  
Venue: MTG Hawke's Bay  
Learning Areas: Social Sciences, Local History, Technology

### Napier Cemetery Walk and Talk

Hear gripping tales of the people who once trod our city but are now buried here. Learn about who they were, how they died, and what they tell us about life in New Zealand in the 1800s. We also look at the artistry of the stonemason, and talk about burial rituals of the time.

Years: 1 - 8  
Dates: Ongoing  
Duration: 1½ hours  
Venue: Napier Hill Cemetery  
Learning Areas: Social Sciences, Local History, Technology

### Napier Port: Pilots and Wharfies

Beard up and become olden day port workers in role plays that reveal the past, purpose, and perils of Napier's old port at West Quay. Learn about the modern Port – what machinery is used, what jobs have survived and what benefits it brings to the region.

Years: 4 - 8  
Dates: Ongoing  
Duration: 1½ hours  
Venue: MTG Hawke's Bay  
Learning Areas: Social Sciences, Local History

## A wealth of resources to enrich your teaching in primary and intermediate education.

Free entry

MTG Hawke's Bay Education is supported by

Our Learning Experiences Outside  
The Classroom (LEOTC) service is supported by  
The Ministry of Education.

Quake '31. We have three programmes available for different age groups. All include a visit to our 1931 Earthquake exhibition.

**Quake '31:**  
**The day that rocked Thomas' world**  
 Years 1 - 4  
 1½ hours

Thomas's birthday started well until the solid ground beneath his school began to shake. It was the day of the 1931 Hawke's Bay earthquake and Napier would never be the same again. Thomas's story is told using an enchanting Kamishibai story theatre box. A visit to the earthquake exhibition follows the story session, where students will see real items from the earthquake, some featured in the story.

**Toys and Games of Days Gone By**

Play games of former times when there was not a digital screen to be seen! What has lasted and what has gone? What is different, what is the same? What skills were taught? See toys/games from long ago from our collection and finish by making a simple game or toy (discuss on booking).

Years: 1 - 6  
 Dates: Ongoing  
 Duration: 1½ hours  
 Venue: MTG Hawke's Bay  
 Learning Areas: Social Sciences

**George Nuku: Bottled Ocean 2118**

George, a former Hawke's Bay international Māori artist who lives in France, is deeply concerned by the ongoing pollution of our oceans. He has turned this pollutant (plastic bottles) into an installation of great beauty. Students will make their own artwork from recycled materials after seeing George's creations and learning about his themes.

Years: 1 - 8  
 Dates: Until March 8  
 Duration: 1½ hours  
 Venue: MTG Hawke's Bay  
 Learning Areas: Art, Science

**Out and About on Marine Parade – Self guided: Free**

Explore, in small groups, the extraordinary changes to Marine Parade over 150 years. Learn amazing facts such as where the old cannon came from and why. Using an MTG Hawke's Bay provided resource, students sleuth out stories of Napier's past.

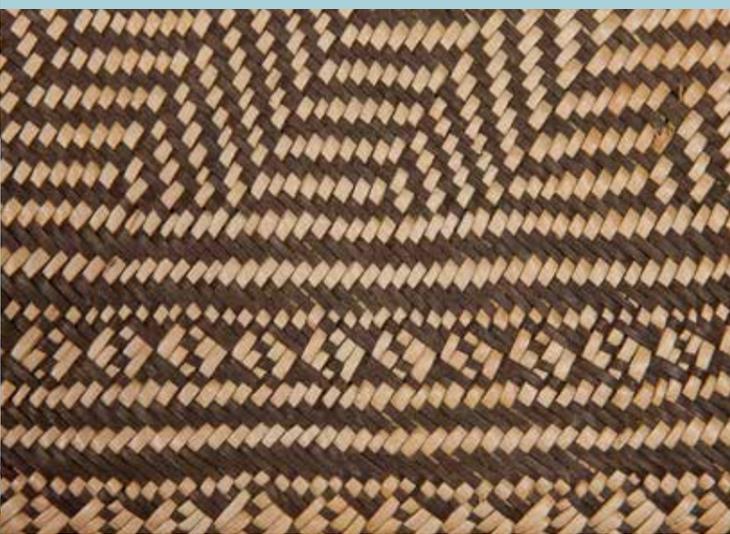

Years: 4 - 8  
 Dates: Ongoing  
 Duration: 1 to 2 hours (approx.)  
 Venue: Start at MTG Hawke's Bay, then Marine Parade.  
 Learning Areas: Social Sciences, Local History

**Quake '31:**  
**Resilience / Citizenship / Our Place**      Years 4 - 8

Let us know your preferred focus or book our standard programme. After a short participatory drama, students will hear stories of the heroism and determination of ordinary people caught up in a catastrophic situation. A visit to the earthquake exhibition and an interactive game highlight the need for preparedness and resourcefulness in difficult times.

**Quake '31:**  
**Breaking News!**      Years 5 - 8

Travel back in time to arrive in Hawke's Bay moments before the 1931 earthquake. Team up to report live from the scene as the disaster unfolds. Using green screen technology and drawing on images and stories in the museum's earthquake exhibition and archives, students research details of what happened on the day and collaborate creatively to record eye witness accounts that can be edited into a full TV news report.

**Patterns in Māori Art**

Learn about traditional Māori motifs and patterns in whakairo/carving, tukutuku/weaving and kowhaiwhai/painting. Learn some stories associated with the patterns. Students will create their own kowhaiwhai design to take away.

Years: 1 - 8  
 Dates: Ongoing  
 Duration: 1½ hours  
 Venue: MTG Hawke's Bay  
 Learning Areas: Art

**Art / Toi**

We have many resources here at MTG Hawke's Bay used for a myriad of art studies. Our art exhibitions change constantly and we have access to resources held in the collection storage areas which may be useful. If there is anything specific you want to see that is not currently on show, or you wish us to tailor a programme to fit your focus please get in touch to discuss. Current exhibitions can be seen on our website or do pop in.
